PRESIDENT'S MESSAGE

Happy new year and welcome to the 2024 polo season.

We look forward to opportunities to engage with new players throughout the year and wish everyone well for the upcoming tournaments which will include A Grade 8 goals, B Grade 2 goals and C Grade -2 goals.

Please always play safely and with courtesy, and with regard for the rules & discipline at whatever level you participate, this will be overseen by our Chief Umpires for the season. Thank you to James Lester, Hugo Fisher and Greg Rodwell who are our Chief Umpires this season.

My thanks also to the members of the WAPA committee, club committees and the many members and supporters who are willing to lend a hand in many ways. I look forward to working with you all throughout this season.

All the best

WA Girls winning in QLD

Both Marijke Thomas and Jemma Lawrence attended the QLD Ladies Polo Tournament held at Bromelton House in South East Queensland between September 21st-24th.

The two girls played together on the Thursday and Friday, winning the subsidiary game with team mates Inge Burke and Mary Jellis.

Marijke played in the Australian Test Match on Sunday 24th with the Australian girls winning in a close match 5 goals to 3, against a very strong Zambian team.

Jemma played in the pre-test match game for Hinterland Toyota with her team winning by 7 goals (8 goals to 1).

Congratulations girls on your wins and for Marijke being selected to play for Australia!

Jake Ednie-Brown in Malaysia

Jake Ednie-Brown travelled to Malaysia recently, after accepting an invitation to play in an U21 tournament, as one of eight international youths chosen to form two visiting polo teams in the event.

Professionally coached and mentored throughout their time in Kuala Lumpur by Pakistan's inspirational Agha Kahn, Jake teamed up with three other foreign lads to beat the two Malaysian sides, eventually finishing as runners up of the competition behind the other international team, who were very deserving winners.

Jake was awarded MVP of the tournament, which he was pleased to receive from fellow West Australian guest John Fischer and the Malaysian Minister of Sport.

Juniors in NSW

Young WA players Jake Ednie-Brown and Jasper Webster joined over forty NSW juniors at the Scone Polo School recently, where players were divided into four grades and coached by a host of Australian greats including Glen Gilmore, Anto White, Jack Archibald, Lachie Gilmore and Alec White.

The school, which was also attended by four visiting NZ players, was very kindly organised by Noddy & Charch Warner, ran over three days of morning lessons and afternoon competition, and was generously sponsored by the USPA and Ainsley Saddlery.

The Anto White Champion Team trophy was won by Jake Ednie-Brown, Joe Wade, James Parry-Okeden and Lucas Grimes. After the school, Jasper remained in Sydney for the NSW Junior Championships tournament the following week, in which four teams of juniors played at Peter Huston's beautiful Troika property.

The White Family Trophy was won by Jasper Webster, Indigo Francis, Ashley Glennie and Stirling Francis, with Jasper also collecting a pony prize for "Loco Express." Congratulations boys!

Jack Kiely's Homebred Success

Jack has been playing in the USA. Last US summer he was based in Chicago and was playing in the 6 and 12 goal competitions.

He has been enjoying playing his home bred Polo Kidogo ponies who are adapting well to the American lifestyle, (Photo) Polo Kidogo Heidi winning Champion Pony in Florida.

KOJONUP POLO & POLOCROSSE CLUB

Kojonup Polo and Polocrosse club was formed in 1949 by Bob Russell. Tournaments were played at Farrar Siding until 1969 when the club relocated to a block of land owned by Mr and Mrs Stan Haggerty, who named the grounds 'Wandecle' after the property in Queensland where Stan commenced his army training. A busy bee was held, the grounds levelled, sheds erected and the race track, polo and polocrosse fields created. The first polocrosse carnival was played in 1970 and polo soon followed.

Today Wandecle is home to polo, polocrosse, Kojonup Race Club and the Kojonup branch of the Pony Club, whilst the Brook Hunt and Moberup Riding School are hosted as welcome visitors each year. The Grounds have also been a popular venue of choice for members' private parties and gatherings too numerous to mention, which have included several weddings, christenings and wakes. Many amateur and professional polo players have honed their skills at Wandecle, with Stan Haggerty, Geoff Fisher and former Australian Captain and 6-Goal professional Derek Reid to name a few.

The club boasts excellent facilities able to accommodate many teams and their horses, including an abundance of safe individual yards, a large shaded lawn area, outside bar and verandas, showers, toilets and a renowned club house kitchen operated by the family friendly and extremely sociable club members.

PERTH POLO CLUB

Perth Polo Club is one of Western Australia's oldest sporting organisations, established in 1896. The club has secured long term tenure at it's home of Kings Meadow in Guildford and has recently revitalised the ground and has extended and greatly improved the playing fields.

With the appointment of a Club Professional (providing coaching and clinics) and the hosting of more events, including no-equine activities such as regular Sunday markets in a country atmosphere, the Club is working hard to actively grow polo in WA.

Spectators are encouraged to roll out the picnic rug and soak up the atmosphere amongst the grandeur of the flooded gums and the Helena River while taking in the king of games and game of kings at the only public home of polo - Kings Meadow.

WALKAWAY POLO CLUB INC.

Walkaway Polo Club with registered blue and white colours was founded in 1965 by Leonard and Evan Hamersly. The original team being Rodney Ludgate, Laurie Bain, Leonard and Evan Hamersly. The club house was originally situated at 'Well Station' very close to the Walkaway township.

Twice the Walkaway Polo Club with five teams nominated in all grades won every cup on the WAPA calendar, including Champion Pony and the Campbell Memorial Trophy. On both occasions the Greenough Shire recognized this remarkable accomplishment with a civic reception. No other West Australian Club has done this before or since.

Time has altered many things, including the structure of polo and in more recent years with the majority of players now near the metro and southern areas.

Walkaway Club hold their tournaments in the Perth area. The club usually offers some five of their numerous cups, some dating back to the early 1920's.

MOONDYNE POLO CLUB INC.

The Moondyne Polo Club was formed in July 1996 to foster and promote the sport of polo and facilitate the involvement and participation of members in the sport. The polo field was put in by the club's members with a lot of hard work and a fair bit of dynamite to make an area flat enough amongst the hills. This field is considered one of the best in WA.

The Club was developed by a family that originally played polocrosse, then became interested in polo, started to play a bit of polo, became hooked and then formed their own club. The club is now made up of several families consisting of mums, dads, kids and grandkids of which all play.
